Instructions for filling in and submitting the form

This form could be updated and integrated if the Company receives requests for integrations or proposals pursuant to art. 126-bis of the TUF (where applicable) or individual resolution proposals relating to the items on the agenda.

The Proxy form must be notified to the Company (together with a valid ID document and, in case, the documentation providing proof of the signatory power) via the Appointed Representative together with the **Voting Instructions** reserved to him within **December 15, 2021**, using one of the following methods:

- 1) **Registered Email Holders (PEC):** as an attachment document (PDF format) sent to operations@pecserviziotitoli.it in the event that the Proxy Grantor (as Individual or as Legal Entity) is a Registered Email Holder;
- 2) **Digital Signature Holders (FEA):** as an attachment document with digital signature sent to operations@pecserviziotitoli.it in the event that the Proxy Grantor (as Individual or as Legal Entity) is a Digital Signature Holder;
- 3) **Common Email address Holders:** as an attachment document (PDF format) sent to operations@pecserviziotitoli.it. In this case, the hard copy of the proxy shall be sent via ordinary mail service to Computershare S.p.A. via Mascheroni, 19, 20145 Milano (MI).

The use of different email address than those mentioned above or a delay respect to the deadline, as well as the only use of ordinary mail service, will not ensure the correct submission of the proxy.

2. Specify the capacity of the proxy signatory and, where applicable, attach documentary proof of his power.
3. To be completed only if the registered shareholder is different from the proxy signatory; mandatory indications on relevant personal details must be included.
4. Provide the securities account number, Bank Codes and Branch Codes of the Depository, or in any case its name, available in the securities account statement.
5. Reference to the communication made by the intermediary and its name.
6. Provide details of a valid form of identification of the proxy signatory.
7. Provide the name and surname of the signatory of the Proxy form and Voting instructions.
8. Pursuant to article 135-undecies, subsection 3, of Italian Legislative Decree no. 58/1998, "Shares for which full or partial proxy is conferred are calculated for the purpose of determining due constitution of the shareholders' meeting. With regard to proposals for which no voting instructions are given, the shares of the shareholder concerned are not considered in calculating the majority and the percentage of capital required for the resolutions to be carried".
9. The resolutions proposed to the shareholders' meeting and the documentation, which are briefly referred to herein, are reported in the Reports published on the company website www.brembo.com.

Computershare S.p.A., as Appointed Representative, has not personal interest or on behalf of third party in the proposals mentioned, however, in the event of unknown circumstances or in the event of amendment or integration to the motion presented to the meeting, Computershare does not intend to vote in a manner incompatible with the instructions received in Section A.

The vote is expressed by ticking the relevant box between the following: **F** (for), **C** (against) or **A** (abstention). If no instructions will be given to the Appointed Representative regarding a motion, the shares will not be considered for that motion.

10. Section A2, if present, collects the voting instructions if, within the deadline and in the cases allowed, an alternative, complementary or supplementary resolution proposal to what has been published by the administrative body is presented and published. The Appointed Representative shall vote on each of the proposals that will be put to the vote at the meeting in accordance with the instructions given since it is exclusively the responsibility of the proxy holder to formulate expressions of vote consistent with the proposals (alternative or complementary) that were published.
11. In absence of a resolution proposal of the administrative body or of another proposal subsequently published and reported in the instruction form, the Designated Representative will be asked to approve one of the proposals submitted to the meeting by the Chairman on behalf of the proposing parties. Accordingly, the voting instructions are collected by the Designated Representative in Section C as the sole expression of vote on the proposals submitted by the parties named therein. The voting instructions provided in relation to the different characteristics of the proposers indicated in Section C may also be identical but shall bind the Appointed Representative to express the vote only if the proposer has the characteristics indicated in the relevant instruction. In the event of more than one proposal submitted by different owners of minority interests not previously disclosed and not reported in the instruction form, the Appointed Representative shall not be entitled to express any vote.
