

Brembo Statement about Jorge Lorenzo's withdrawal during the Qatar MotoGP Grand Prix

Stezzano, Italy, 3rd April 2018:

"In relation to what happened to the rider Jorge Lorenzo of Ducati Team during the Qatar MotoGP Grand Prix, Brembo is really disappointed that the withdrawal of the rider during the lap 12 was caused by an issue connected to the braking system.

At the end of accurate analysis of our technicians, we confirm that the issue has been identified and resolved so that this anomaly can't recur".
