

The image features a complex geometric design. A large, bright red parallelogram is the central focus, tilted at an angle. It is bordered by a dark red strip on its left side and a white strip on its right. The background is a light grey, with a white diagonal line that intersects the red shape. In the upper right corner, the letters 'PA' and the number '20' are visible in a large, white, sans-serif font, partially cut off by the edge of the image.
