BREMBO OBTAINS TÜV CERTIFICATION FOR ADDITIONAL PERFORMANCE PRODUCTS

Guarantee of compatibility with all latest models fitted with ABS

Following racing success and the approval of countless enthusiasts who have fitted them on their bikes, the German certification body TÜV has certified additional Brembo Supersport and T-drive discs. This qualifies them for use on roads in countries where this certification is recognized. Approved by KBA number, the range is now comprehensively covered, ensuring compatibility with the latest models of motorbikes fitted with ABS.

Additional TÜV certification has also been secured for:

- performance calipers machined from billet metal with European (100 mm) and Japanese (108 mm) fixings;
- nickel finish calipers for Yamaha YZF and MT01 (made 2007 – 2014);
- performance calipers machined from billet with nickel finish with European (100 mm) and Japanese (108 mm) fixings;
- the 17RCS master cylinder for all motorbikes compatible with the M50 caliper;
- the 19RCS master cylinder compatible with the latest models of motorbikes fitted with ABS;
- the 16RCS clutch master cylinder;
- cast monoblock calipers with European (100 mm) and Japanese (108 mm) fixings.
